Motions (Notices given on 11 August 2026):

1. Draft resolution (Ms M Kennedy): That the Council-

   (1) notes with grave concern, the persistent and harrowing crisis of gender-based violence (GBV) and femicide plaguing South Africa annually;

   (2) further notes that despite section 12(1)(c) of the Constitution of South Africa guaranteeing everyone the right to freedom and security of the person, including freedom from all forms of violence, millions of women continue to live under a constant state of fear, vulnerability, and violation;

   (3) acknowledges that quarterly crime reports validate this terror, exposing a staggering 9,782 officially reported rape cases during the fourth quarter of the 2025/2026 financial year (January to March 2026), with KwaZulu-Natal (2,589 cases) and Gauteng (2,469 cases) recording the highest provincial numbers;

   (4) further acknowledges that during this month of August, designated to honour and celebrate the historic achievements and liberation of

women, the reality on the ground forces South African women to mourn instead of celebrate;

(5) recognises that this country for women is a very dangerous place, women live in fear and are often subjected to the gender-based violence while the perpetrators roam the streets free;

(6) emphasises that this failure to protect vulnerable citizens directly breaches the state's responsibilities under the Domestic Violence Act 116 of 1998 and the Criminal Law (Sexual Offences and Related Matters) Amendment Act 32 of 2007, both enacted to provide maximum statutory protection from sexual abuse;

(7) notes that the EFF calls upon the Department of Police, the Department of Justice and Constitutional Development, the Department of Social Development and the Department of Health to launch an immediate, synchronized intervention aligned with the National Council on Gender-Based Violence and Femicide Act 9 of 2024 to bolster survivor support, expedite the prosecution of offenders and eradicate the systematic backlogs in the justice system; and

(8) notes that the EFF refuses to remain silent while the profound cries of South Africa’s women are ignored, reaffirming its dedication to complete economic and social emancipation during this Women's Month.

2. Draft resolution (Mr MM Mampuru): That the Council-

(1) notes with concern the continued deterioration and neglect of the Impumelelo Sport Centre, in Ward 13, in Sedibeng in Gauteng;

(2) further notes that the facility’s infrastructure has reached an unacceptable and hazardous state, characterized by non-functional ablution systems, a vandalized stadium grandstand despite active security personnel, and a cracked swimming pool basin containing stagnant rainwater and toxic algal growth;

(3) acknowledges that, the tennis, netball and basketball courts have degraded beyond repair, depriving residents, particularly young people, of safe and decent recreational facilities;

(4) further emphasises that sports infrastructure is vital under the National Sport and Recreation Act 110 of 1998 to develop youth talent, foster healthy lifestyles, ensure mental well-being, and mitigate systemic social challenges like substance abuse;

(5) recognizes and condemns the failure of the Lesedi Local Municipality to fulfil its constitutional and statutory obligations under Section 4(2)(j) of the Local Government: Municipal Systems Act 32 of 2000, which mandates the municipality to ensure member access to essential, safe, and equitable recreational services;

(6) further recognises that this neglect constitutes a failure to manage public assets responsibly as required by the Local Government: Municipal Finance Management Act 56 of 2003 (MFMA); and

(7) notes the EFF call on the Lesedi Local Municipality, in conjunction with the relevant provincial authorities, to urgently intervene by securing the perimeter, assessing the structural damage, and initiating immediate rehabilitation works to restore the Impumelelo Sport Centre to a safe, functional, and dignified state for the community.
