Motions (Notices given on 5 August 2026):

1. Draft resolution (Mr KM Mmoiemang): That the Council-

   (1) debates the growing challenge of illegal migration in South Africa, which intersects with public concerns and protests around the economic strain and impact of illegal migration, which has also prompted a comprehensive government crackdown; and

   (2) notes that the challenge of illegal migration has triggered massive nationwide demonstrations and instances of anti-migrant violence, prompting an address by the President on Sunday, 7 June 2026 and several African nations to initiate emergency repatriation programmes for their citizens.

2. Draft resolution (Mr M Feni): That the Council-

   (1) debates the collapse of rural schools that continue to remain rural white elephant schools with no learners;

   (2) further notes that the Department of Basic Education (DBE) reported that it had R64m in fruitless and wasteful expenditure last year; and

   (3) acknowledges that this occurred after spending on completed or near completed rural school projects in areas where the learner populations had already moved elsewhere.

3. Draft resolution (Ms SL Sithole): That the Council-

   (1) debates the growing municipalities' electricity bill to Eskom; and

(2) further notes that Eskom has reported that the municipal debt has risen to R119 billion and has warned that the rising unpaid bills pose a major challenge to its financial sustainability and its ability to meet its debt obligations.

4. Draft resolution (Ms HS Boshoff): That the Council-

(1) notes that the residents of Sabie in Mpumalanga endured prolonged E. coli contamination of their drinking water during 2023 and 2024, posing a serious public health risk and causing significant hardship for residents, businesses and the tourism sector;

(2) further notes that the Sabie Ratepayers Association and the Sabie Chamber of Commerce commissioned independent water testing after raising concerns over failing wastewater infrastructure, sewer spillages and contamination of the Sabie River;

(3) further notes with grave concern that residents of Sabie are once again reporting foul-smelling and bad-tasting drinking water, raising fears that the underlying causes of the previous contamination have not been resolved;

(4) further notes that ongoing illegal mining activities, coupled with deteriorating sewer infrastructure, continue to threaten the integrity of Sabie's water catchment and the health and livelihoods of its residents; and

(5) calls upon the Ministers of Water and Sanitation, Cooperative Governance and Traditional Affairs, and Mineral and Petroleum Resources, together with the Thaba Chweu Local Municipality, to urgently investigate the current quality of Sabie's drinking water, make the test results public, rehabilitate the failing sewer infrastructure, and protect the town's water sources from further degradation.

5. Draft resolution (Mr V Gericke): That the Council-

(1) debates the explosion of drug abuse gripping the youth across all nine provinces of South Africa and how this crisis is fuelled by deep-seated systemic failures, including high youth unemployment and the lack of recreational infrastructure.

6. Draft resolution (Ms JS Mananiso): That the Council-

(1) notes that last weekend, 1–2 August 2026, marked the final opportunity for eligible voters to register at Independent Electoral Commission (IEC) voting stations;

(2) further notes that on 7 August 2026, the Minister of Cooperative Governance and Traditional Affairs (CoGTA) will announce the date of the 2026 Local Government Elections;

(3) acknowledges that the proclamation of the election will result in the closure of the voter roll at midnight on the 7th; and

(4) takes this opportunity to call on all eligible South Africans, especially the youth, to register online, via WhatsApp and to verify their voter registration details to vote for the ANC on 4 November 2026.
