

PARLIAMENT OF THE
REPUBLIC OF SOUTH AFRICA

NATIONAL ASSEMBLY

ORDER PAPER

TUESDAY, 10 NOVEMBER 2020

Meeting of House: 14:00

MINISTERIAL STATEMENT:

1. Statement by the Minister of Public Works and Infrastructure on the implementation of the infrastructure plan.

MOTIONS:

1. Decision of Question on Draft resolution (Mr N S Matiase): That the House -
 - (1) notes that farm workers and farm dwellers are amongst the most vulnerable group of people in this country;
 - (2) further notes that historically, the relationship between farm owners and farm workers has always been mediated by violence and this dates back from the violence of forceful dispossession of the land to the slave-like work conditions on farms, from the complete disregard of the human rights of the young and the old to the forceful and illegal evictions of people who have stayed on these farms for generations;
 - (3) acknowledges that despite being directly involved in the production of food, farm workers are prone to going for days without food, particularly those employed seasonally;
 - (4) further acknowledges that it is also common practice amongst farmers to pay workers with wine, instead of money, therefore creating alcohol dependence that is destroying any prospects of a better future for farm workers and their families;
 - (5) realises that farm workers work for long hours and hardly get remunerated for overtime; and that the majority of them do not have access to paid annual leave, and an even lesser number has access to paid sick leave;

- (6) further realises that less than 10% of farm workers are entitled to maternity leave, and that more than 20% have access to pension and retirement benefits;
- (7) recognises that the reality of land dispossession, the maliciousness of the racist system that has characterised South African agriculture, the lack of adequate law enforcement on farms, have created undesirable forms of relationships on farms, relationships which make farm workers slaves in the country of their own birth, and farm owners, slave owners;
- (8) further recognises that if the living and working conditions of farm workers remain as is, then freedom and democracy will continue to elude this section of the South African population, with devastating impacts for peace and civil relations on farms;
- (9) believes that Parliament must play a leading role towards the protection of the constitutional rights of all, particularly of the vulnerable groups in society, farm workers included;
- (10) establishes an ad hoc committee, in terms of Rule 253, the committee to:
 - (a) conduct a comprehensive review of the living and working conditions of farm workers in South Africa, including remuneration as well as the eviction of farm workers from farms;
 - (b) make an assessment of legislation affecting farm workers and farm dwellers in South Africa, and make recommendations for legislative amendments to provide for more comprehensive protection of farm workers and farm dwellers;
 - (c) conduct public hearings with all interested and affected parties, including farm workers themselves, unions organising on farms and civil society organisations;
 - (d) consist of 11 members, as follows: ANC 6, DA 2, EFF 1, and other parties 2;
 - (e) exercise those powers in Rule 167 that may assist it in carrying out its task; and
- (11) sets the deadline by which the Committee is to report as 30 March 2021.
