26dn96e

5. Draft resolution (Ms S Peters): That the House –

   (1) notes the substantial influx of undocumented foreigners, estimated at 3.9 million individuals, of which approximately 2 million are Zimbabweans;

   (2) further notes that approximately 180 000 Zimbabwean nationals hold Zimbabwean Exemption Permits (ZEPs), a population connected to the one million Zimbabweans who, according to the 2022 Census, constituted 45% of South Africa's immigrant population;

   (3) understands that the Supreme Court of Appeal has dismissed the Minister of Home Affairs' appeal against an interim interdict, thereby preserving the protection of ZEP holders from arrest and deportation while the legality of the ZEP termination remains subject to further litigation;

   (4) realises the need for immigration policies and legislative reforms to facilitate mass deportation or decisive approaches for the lawful expatriation of undocumented foreigners; and

   (5) affirms the necessity of preserving and prioritizing employment opportunities for individuals born in South Africa and those with direct physical lineage, over naturalized citizens, permanent residents, and foreign nationals, as delineated in the Immigration Act 13 of 2002.

26dn97e

6. Subject for discussion (Mr P A van Staden): The deteriorating condition of roads in Newcastle, Vryheid and surrounding areas of KwaZulu-Natal, the need for urgent repairs and rehabilitation, and measures to hold the relevant local and provincial authorities accountable.

26dn100e

9. Subject for discussion (Mr S N Swart): The planned national digital ID roll-out will result in centralizing sensitive biometric data risks, enabling unchecked state overreach and mass surveillance typically found in authoritarian regimes, and fundamentally compromising a citizen's right to privacy.

26dn101e

10. Subject for discussion (Dr K W D le Roux): Solutions to the widespread shortage of essential medications at hospitals and clinics and its

detrimental impact on the health and human rights of many South Africans.

26dn102e

26dn103e

12. Subject for discussion (Mr N L S Kwankwa): The misuse and abuse of the Expanded Public Works Programme (EPWP) and other forms of fiscal dumping by governing parties at national and local government levels during election year to secure an unfair electoral advantage over political opponents.

26dn104e

13. Subject for discussion (Mr N T Tshotetsi): Youth unemployment as an escalating national crisis.

26dn105e

14. Subject for discussion (Mr V Zungula): The reported R6.3 billion outflow from South Africa's economy, particularly the township and spaza shop economy, and measures to strengthen and promote local enterprise, retain economic value within South Africa, and contribute towards job creation.

26dn106e

15. Subject for discussion (Mr I Ismail-Moosa): The unnecessary and humiliating practice of subjecting the families of anti-apartheid activists to a strict financial means test to qualify for state-funded legal aid during reopened inquests into the deaths of their loved ones.

26dn107e

26dn110e

19. Subject for discussion (Ms S Singh): The effectiveness of interventions by national and provincial government in failing municipalities.

26dn111e

20. Subject for discussion (Mrs T M Chauke-Adonis): The need to undertake and increase public campaigns against toxic masculinity, sexism and homophobia.

26dn112e

21. Draft resolution (Ms L Schickerling): That the House –

(1) notes the important role of communities and community policing structures in preventing and responding to crime;

(2) recognises the vital contribution made by community policing forums, neighbourhood organisations, community leaders and residents who work alongside law-enforcement agencies to improve safety in their communities;

(3) commends those who report criminal activity, support victims, assist law enforcement and remain actively involved in building safer communities; and

(4) acknowledges that effective crime prevention requires meaningful cooperation between the police, government and communities, and affirms the important role that strong community partnerships play in combating violent crime.

26dn113e

22. Draft resolution (Mrs M O Clarke): That the House –

(1) notes that Minister Motsoaledi has promised to approach the Special Investigating Unit to investigate the R182 million National Health Insurance (NHI) communications contracts;

(2) further notes the Department of Health's bizarre decision to award two contracts for communication and marketing to the tune of R1 620 and R520 per transaction without calculating or advertising the total estimated value of the contract as per the Public Finance Management Act;

(3) recognises that both these contracts were paid from at least eight critical health programmes including HIV/Aids, TB, and child nutrition;

(4) acknowledges that 28% of children under 5 years in South Africa are stunted due to malnutrition, and that 453 children under 5 years died in public hospitals with moderate and severe acute malnutrition as underlying conditions between January and September 2025;

(5) further acknowledges that in the same period, 9 479 children under 5 years were admitted to public hospitals with moderate and severe malnutrition;

(6) understands that whereas initiating treatment is crucial to survival and quality of life, at a recent portfolio committee meeting the Department stated that only 39% of people diagnosed with TB received an SMS notification, thus affecting the start of treatment; and

(7) further acknowledges that the NHI itself has yet to be costed and that this cost has yet to be presented to Parliament as requested on numerous occasions.

26dn114e

23. Draft resolution (Mr W M Douglas): That the House –

(1) notes with grave concern the increasing disconnection of essential municipal services because of outstanding accounts;

(2) further notes that many households are confronted with estimated bills, incorrect meter readings, defective meters and disputed accounts;

(3) recognises that residents must pay for services legitimately consumed, but cannot be expected to pay amounts that municipalities themselves cannot properly account for;

(4) believes that citizens must not be punished for the administrative and infrastructure failures of municipalities;

(5) further believes that where a legitimate billing dispute exists, municipalities should first verify the meter, correct the account and resolve the dispute before disconnecting essential services; and

(6) calls on Department of Cooperative Governance and Traditional Affairs to support a moratorium on municipal service disconnections arising from genuinely disputed or demonstrably inaccurate accounts until those disputes are properly resolved.
